

# How To Create and Access My NCBI

## Creating an account at [National Center for Biotechnology Information](#)

1. Follow the link to the NCBI home page.
2. Select  on the upper right of the page
3. From the list of options, select “More Login Options”

4. Enter “Wisconsin” in the search bar, then select “University of Wisconsin-Madison”

5. This will take you to the NetID login where you will enter your UW credentials and complete a Duo Mobile prompt.
